

OC2 USE

Becoming an Approved User

Paddle OC2 with experienced user 10 times (steered 3x)

Knowledge of the waterway rules and by-laws in L2 areas

Demonstrate to L3 paddler or H&S officer you can...

- ✓ Give instructions to partner and carry out removing and replacing waka on rack correctly
- ✓ Be in charge of transporting waka in a safe method to and from water
- ✓ Steer competently
- ✓ Complete a huli directing the procedure (NB Ama may not be used)
- ✓ Access the rudder compartment to check rudder line and rudder

NB: If a L3 steerer does the assessment – let H&S Officer know outcome

Approved Users

OC2's need to be booked on Teamer

Complete Safety Log before and after all paddles

Report any damage or concerns to Safety Officer and/or Equipment Officer

NB: Paddling in darkness

OC2's may only go out in poor visibility with at least one other waka (it can be another OC2).
