Incidents	<p>1 incident reported this month – an OC6 was dropped off trolley onto grass – no damage.</p> <p>Steerers meeting planned for Tues 24th Jan. Zoe to send out invite to steerers and Pete to devise agenda. Kilmeny to ask John Mathison to attend to share his 'hints and clues' about local weather system/forecasts. Pete thinks steerers want to discuss steering levels and review them. Pete had been asked if committee would consider increasing Tracy Osborne's steering level from 2 to 3. Pete had said no, that Maitahi has a process for progression through the levels. Level 3 is a difficult issue though because of 'grandfather clause' and potential honouring of previous experience and skills from other areas.</p>	Pete to email 'steerers guide' to all level 3's – ask for comments before meeting.
Gear & Maint	<p>Work is now complete on Mangopare, but it's not re-rigged yet.</p> <p>Mango ripi is having its re-gel coat next week by AllSpec.
